The Challenge Period has twelve (12) separate qualification periods – each calendar month of 2015 is a separate qualification period beginning on the first day of the calendar month at 12:00 AM ET and ending on the last day of that calendar month at 11:59 PM ET (each,

3. Coach Eligibility: To participate in the Challenge and qualify to win a reward, you must be a Team Beachbody Coach, current with all Coach Business Service Fees, in good standing, and in compliance with the Independent Team Beachbody Coach Policies and Procedures at all times during the Challenge Period, at the time any reward is awarded, and at the time of the Cruise (collectively, a “**Qualified Coach**”).

How To Earn Qualifications Towards the Cruise

4. Cruise Qualifications and Rewards: Subject to the terms, conditions and limitations herein, and verification by Team Beachbody, Team Beachbody is offering you the opportunity to qualify to earn the rewards and credits below that you may then apply towards the cost of attending the Cruise. Team Beachbody may in its discretion offer incentives or promotions during the Challenge Period that may increase the number of Success Club Points you earn.

Special Notice Regarding Limited Stateroom Inventory: The number of staterooms onboard the Ship is limited and subject to availability on a first-come, first-serve basis. If no staterooms are available at the time you qualify for any rewards or credits, then you will not receive those rewards or credits. Register early to ensure your attendance before stateroom inventory runs out.

(a) Earn “Cruise Dollars”: You can earn Five (5) “Cruise Dollars” for each Success Club Point that you earn during a Qualification Period. Cruise Dollars may be used as a credit against the cost of the stateroom for which you initially registered. For example, if you earn Four (4) Success Club Points in January 2015, you will earn Twenty (20) Cruise Dollars which may be used as a \$20 credit on the price of your stateroom (4 Success Club Points x 5 Cruise Dollars = 20 Cruise Dollars). The maximum number of Cruise Dollars you can earn towards the Cruise is 1,150 Cruise Dollars (regardless of the number of Success Club Points you earn). Success Club Points will be calculated quarterly to determine the number of Cruise Dollars earned.

(i) Success Club Bonus Cruise Dollar Opportunity: If you qualify for Success Club 5 or 10 Qualifications in any Qualification Period, you can earn Ten (10) Cruise Dollars for each Success Club Point that you earn during that same Qualification Period. For example, if you qualify for Success Club 5 Qualifications in March 2015 and you earn Seven (7) Success Club Points in March 2015, you will earn Seventy (70) Cruise Dollars which may be used as a \$70 credit off the price of your stateroom (7 Success Club Points x 10 Cruise Dollars = 70 Cruise Dollars).

- **Limitations:** Cruise Dollars may only be used as a credit against the cost of the stateroom for which you initially registered. Cruise Dollars are not valid towards your second stateroom (if you purchased one). You may not use Cruise Dollars towards the \$300 nonrefundable deposit amount, the cost for additional passengers/guests, upgrading your stateroom or any charges or other expenses that you incur onboard the Ship or in connection with the Cruise. Cruise Dollars have no cash or other monetary value. Unused Cruise Dollars become null and void, and may not later be used or redeemed in any manner. Cruise Dollars may not be used towards any other promotion, reward, incentive, contest or other offer (unless expressly stated otherwise by Team Beachbody in writing). Cruise Dollars may only be used by the Qualified Coach who earned the Cruise Dollars and only on the stateroom for which such Qualified Coach has registered. For clarity, spouses or significant others who may each separately qualify for Cruise Dollars under separate Coach Business Centers may not aggregate their Cruise Dollars towards credits on one (1) room (example: Coach A must use his/her Cruise Dollars towards credits on his/her stateroom, and Coach B must use his/her Cruise Dollars towards credits on his/her stateroom; Coach A and Coach B may not combine their Cruise Dollars). Cruise Dollars may not be transferred, gifted or sold to any other person. Cruise Dollars for which you received a credit may not be used again.

See Section 5 (Quarterly Payment Plan) below for full details and for how, if earned, your Cruise Dollars will be applied.

(b) Earn “Onboard Credits”: You can earn “Onboard Credits” to help offset the cost of your stateroom, pay for stateroom upgrades and/or pay for charges or other expenses which are applied to your stateroom bill. Here’s how:

(i) \$600 Onboard Credit: You can earn a \$600 Onboard Credit by:

(1) Earning at least Success Club 5 Qualifications in all twelve (12) Qualification Periods during the Challenge Period; and

(2) Enrolling twelve (12) new Personally Sponsored Coaches during the Challenge Period who each have a Home-Direct order totaling a minimum of ninety (90) PV within thirty-one (31) days of their enrollment as a Coach.

(ii) \$1,000 Onboard Credit: You can earn a \$1,000 Onboard Credit by:

(1) Earning Success Club 10 Qualifications in all twelve (12) Qualification Periods during the Challenge Period; and

(2) Enrolling twelve (12) new Personally Sponsored Coaches during the Challenge Period who each have a Home-Direct order totaling a minimum of ninety (90) PV within thirty-one (31) days of their enrollment as a Coach.

- How Onboard Credits Are Applied: If you earn Onboard Credits, they will be credited to you in two (2) steps.
 - First, Team Beachbody will reimburse you for any amounts you paid towards your stateroom. The reimbursement will be made to your commission check in or around February 2016.
 - Second, if you have any Onboard Credits remaining after being reimbursed for your stateroom, those amounts will be automatically applied towards any expenses you incur onboard the Ship which are applied to your stateroom bill.
 - o For example, if you earned \$600 in Onboard Credits, and you paid \$200 towards your stateroom (after accounting for any Cruise Dollars), then you will be reimbursed \$200 through your commission check. The remaining \$400 will be automatically applied towards any expenses you incur onboard the ship which are applied to your stateroom bill.
- Limitations: Onboard Credits may only be used to reimburse you for amounts you paid towards your stateroom, towards any expenses you incur onboard the Ship which are applied to your stateroom bill, and/or towards the cost of upgrading your stateroom (for example, paying the difference in price if you upgrade from an interior stateroom to a boardwalk stateroom). Onboard Credits may not be used in any other manner, such as towards expenses which are not applied to your stateroom bill (for example, cash or purchases made with your personal credit card before, during or after the Cruise), towards the \$300 nonrefundable deposit, or towards the cost of additional passengers/guests. Onboard Credits have no cash or other monetary value. Unused Onboard Credits become null and void, and may not later be used or redeemed in any manner. Onboard Credits may not be used towards any other promotion, reward, incentive, contest or other offer (unless expressly stated otherwise by Team Beachbody in writing). Onboard Credits may only be used by the Qualified Coach who earned them and applied towards upgrades or against expenses on the stateroom on which such Qualified Coach is registered. For clarity, spouses or significant others who may each separately qualify for Onboard Credits under separate Coach Business Centers may not aggregate their Onboard Credits towards upgrades or expenses on one (1) room (example: Coach A must use his/her Onboard Credits towards upgrades/expenses on his/her stateroom, and Coach B must use his/her Onboard Credits towards upgrades/expenses on his/her stateroom; Coach A and Coach B may not combine their

Onboard Credits). Onboard Credits may not be transferred, gifted or sold to any other person. Onboard Credits for which you received a credit may not be used again.

(c) Elite Coach Reward: Qualified Coaches who are deemed a “2015 Elite Coach” (as defined in the Team Beachbody Compensation Plan) and who are registered for the Cruise will receive a \$1,500 Elite Onboard Credit Bonus (“**Elite Onboard Credit**”).

- How the Elite Onboard Credit is Applied: If you earn the Elite Onboard Credit, it will be credited to you in two (2) steps.
 - First, Team Beachbody will reimburse you for any amounts you paid towards your stateroom. The reimbursement will be made to your commission check in or around February 2016.
 - Second, if you have any Elite Onboard Credit amounts remaining after being reimbursed for your stateroom, those amounts will be automatically applied towards any expenses you incur onboard the Ship which are applied to your stateroom bill.
 - o For example, if you earned the \$1,500 Elite Onboard Credit, and you paid \$500 towards your stateroom (after accounting for any Cruise Dollars), then you will be reimbursed \$500 through your commission check. The remaining \$1,000 will be automatically applied towards any expenses you incur onboard the ship which are applied to your stateroom bill.
- Limitations: The Elite Onboard Credit may only be used to reimburse you for amounts you paid towards your stateroom, towards any expenses you incur onboard the Ship which are applied to your stateroom bill, and/or towards the cost of upgrading your stateroom (for example, paying the difference in price if you upgrade from an interior stateroom to a boardwalk stateroom). The Elite Onboard Credit may not be used in any other manner, such as towards expenses which are not applied to your stateroom bill (for example, cash or purchases made with your personal credit card before, during or after the Cruise), towards the \$300 nonrefundable deposit, or towards the cost of additional passengers/guests. The Elite Onboard Credit has no cash or other monetary value. Unused Elite Onboard Credit amounts become null and void, and may not later be used or redeemed in any manner. The Elite Onboard Credit may not be used towards any other promotion, reward, incentive, contest or other offer (unless expressly stated otherwise by Team Beachbody in writing). The Elite Onboard Credit may only be used by the Qualified Coach who earned it and applied towards upgrades or against expenses on the stateroom on which such Qualified Coach is registered. For clarity, spouses or significant others who may each separately qualify for the Elite Onboard Credit under separate Coach Business Centers may not aggregate their Elite Onboard Credit towards upgrades or expenses on one (1) room (example: Coach A must use his/her Elite Onboard Credit towards upgrades/expenses on his/her stateroom, and Coach B must use his/her Elite Onboard Credit towards upgrades/expenses on his/her stateroom; Coach A and Coach B may not combine their Elite Onboard Credit). The Elite Onboard Credit may not be transferred, gifted or sold to any other person. Any Elite Onboard Credit amounts for which you received a credit may not be used again.

Preconditions/Requirements to Receive Rewards: Before you receive any rewards listed herein, you must register, pay for and attend the Cruise, and comply at all times with any terms and conditions of Team Beachbody and relating to the Cruise. 6. Qualification Calculations and Timeframe: Preliminary Success Club Points and Success Club 5 and Success Club 10 Qualifications will be calculated on a daily basis throughout the Challenge Period and displayed in the Coach Online Office on www.TeamBeachbody.com. Cruise Dollars will be preliminarily calculated at the end of each Qualification Period and communicated by e-mail. Team Beachbody may in its discretion announce preliminary qualifiers of various Challenge qualifications each month throughout the Challenge Period by e-mail and online. Preliminary winners of all Challenges herein will be announced approximately fourteen (14) days after the close of the Challenge Period. However, final evaluation of Success Club Points, Success Club 5 and 10 Qualifications, and winners and qualifiers of Challenge qualifications (including Cruise Dollars, Onboard Credits and Elite Onboard Credits) will not be determined until on or around January 31, 2016 to ensure that each potential winner's qualifications do not change, including due to any deduction of Success Club Points, whether due to returned product through January 31, 2016 or otherwise.

In Team Beachbody's discretion, each potential reward recipient may be required to sign and return to Team Beachbody, within seven (7) days of notice or attempted notice, an affidavit of eligibility and liability/publicity release, in order to claim his/her reward.
